

# Flood Damage Estimator is Key Component on FLOODSMART.GOV

Now that you've tested the waters, you know that even a few inches of flood water can cause extensive damage to your home. It's time to protect yourself. It's time to talk to your agent or [find an agent](#) serving your area.

**Please note:** Dollar amounts are hypothetical, based on varying levels of flood damage to the main floor of a fictional 900-square-foot ranch-style home. Replacement, repair and labor costs will vary by state, home and market timing.
